BRIEF ABSTRACT OF LETTER.

Requests sanction to constitute the Mysore City Police into a separate charge and place it under Mr. M. Jaffer Mekri, Asst. Supdt. of Police, subject to the control of the Dy. Comr.

NOTES AND ORDERS.

The question of constituting the Bangalore & Mysore City Police into separate charges under Asst. Supdts. was first raised by the late Mr. D. Devaraja Urs as I. G. P. in connection with his proposals to reorganise the

2) The question of making Mr. Mo. Jaffer Mekri, Asst. Supdt. of Police, Mysore City, independent of Mysore D.S.P. was raised when the post was appointed as Asst. Supdt. but was not decided & Mr. Mekri was left to work in subordination to the D.S.P.

3) The I.G. now represents that the police administration of the Mysore city has become unwieldy & requires an Officer solely for its charge. He therefore recommends that Mr. Mekri may be placed in independent charge of the Mysore city subject to the control of the Dy. Comr as per sections 14 & 15 of the Police Regulation.

4) As regards the establishment required for the Office of the Supdt. the ~~for the post~~ I.G. proposes for the present as follows:-

1 Munshi to be withdrawn from the Dt. Police Office
1 Head Constable & 1 Sergeant } to be withdrawn from the city force.

6) To place the city Police both in Bangalore & Mysore under the charge of an Asst Supt of Police, independent of the Supt of Police was one of the features of the Scheme submitted by Mr. D. Devaraja Urs, as Dy. of Police. When his proposals were discussed by Govt, the Council was in favour of an Asst Supt of Police, outside the Civil Service Cadre & Subject to the general control of the D.S.P. 7) He now proposes that Mr Mehri, Asst Supt of Police, should be made independent of the D. S. P. & should be given an office establishment. As Mr Mehri is of the status of an Asst Supt of Police, there does not seem to be any objection to make him independent of the D.S.P.. But whether the City Police should always be under an A.S.P independent of the D.S.P is a matter for consideration & orders.

8) As regards the Estt, the I.G. proposes to make provisional arrangement for the present but thinks that an Estt equal to that of the Shimoga Dt is necessary. The Estt of Kadur Dt consists of Rs 165 p.m. If a 30 Rs clerk Munshi can be spared from the Mysore D.S.P's office, the net cost will be Rs 75 p.m or Rs 900 per annum.

Two successive Lgts are of this opinion & the Dy. Comm. agrees to the proposal. It is a pity that the I.G.P. should have lost sight of this Scheme when he submitted his proposals for the re-organisation of the force many months as this Scheme concerned itself chiefly with the raising of the pay of the Constables & securing a few Inspectors' posts, this proposal was not thought of. There is no necessity in appointing an Asst. Supdt of Police for the city & yet expect him to work under a Supdt. of Police, an officer of equal status. This will only lead to unnecessary friction & un-pleasantness as an experience of myself & some time past discloses. In my opinion, the sooner the separation takes place, the more comfortable would it be for the

17) The arguments brought forward in favour of the separation of the city & Dt. charge are:-

The police work of the Dt. has greatly increased and one officer cannot efficiently manage the administration of the Dt. as well as the city. The Dt. Supdt's undivided attention is required for the Dt. He should therefore be relieved of the responsibility of the charge of the city which should be placed under a separate officer. The making of this officer subordinate to the D.S.P. will not only defeat the above object but will also lower his prestige & so tend to weaken his hands in maintaining discipline in the city. Besides this under the present arrangement the city Supdt. has no liberty of action and this results in delay in the work of both the officers. Making the city Supdt subordinate to the D.S.P., an officer of an equal status will lead to unnecessary friction & un-

18) The only argument advanced against the separation of the D.C. & City charges is that it is likely to interfere seriously with the spirit of cooperation now existing between the D.C. & the city police. But the Dy. Comm. to whom both the officers would be subordinate is expected to supply the requisite corrective

(B.G. 19-12-13.) 19) The question of cost has also to be taken into account in this connection

20) On the whole, the arguments in favour of having a Separate Asst Supt" for the City Police seem to preponderate

The arguments for and against the proposal are briefly noted below :—

For :-

(i) As a measure of decentralization, the proposal is likely to lead to a greater efficiency of the administration of the City Police and also of the District Police.

(ii) The Asst Supdtg. Police can be better employed by investing him with district responsibility and creating increased interest in his work.

(iii) The appointment of an Assistant Supt of Police for the Mysore City is in itself some proof of the necessity for giving relief to the District Supt of Police, owing to the peculiar conditions of the Mysore City & the District.

(iv) The present proposal carries this step to its logical limits from an administrative point of view :-

(iv) The law allows the proposed step :

Against :—

(i) The proposal involves eventually the entertainment of a separate clerical establishment at a cost of about Rs 1000 per year roughly.

(ii) The headquarters of the District Supt of Police is also the City but he is to have no control jurisdiction over the City Police. This is urged from the standpoint of the office holder, which person may fill the office.

(iii) This is likely to be productive of friction between the two officers at any rate for some years at the commencement and to prevent efficient co-operation between the district & the city police, though the Dy Commissioner may happen to be the Head of both.

4. (iv) An Asst Supt of Police may likewise be claimed for the Bangalore city, though it is competent to Govt: to negative the proposal if made.

23) Another alternative for consideration is the following :—

(1) The D.S.P to have a mere general control over the A.S.P:

(2) The office of the D.S.P is to submit defined classes of papers to the A.S.P for orders.

(3) The A.S.P to have the power of corresponding direct with the Dy Commr in specified cases:

(4) Such classes & cases may be laid down in a G.O. after consulting the D.G. of Police & the Dy Commr :-

24) A scheme to give effect to an arrangement of this kind may be developed, if the idea proves prima facie acceptable. Dual control & divided responsibility may be avoided.

25) Otherwise, the proposal has to be sanctioned as an experimental measure for a period of one year from 1/1/1914 & the office should be run with only the establishment pointed out in the letter of the

Final Note by the Second **Councillor.**

Subject:—

46) The Inspector General's recommendation to constitute the Mysore City into a separate Police charge.

47) Placing the City Police both in Bangalore and Mysore under the charge of Assistant Superintendents independent of the District Superintendents of Police was one of the features of the scheme submitted by the late Mr.D.Devaraj Urs as Inspector General of Police in connection with the revision of the police forces of the two cities. When his proposals came up for consideration the Council were in favour of placing the police in the two cities under the charge of Assistant Superintendents (officers outside the cadre of civil service) subordinate to and subject to the general control of the respective District Superintendents of Police. But no orders were passed then as the whole question had to be further considered. Nor was the subject dealt with while recently sanctioning the reorganization of the Police Department.

48) The Inspector General of Police now

recommends that Mr.Mahomed Jaffer Mekri,

Assistant Superintendent of Police, may be placed in independent charge of the Mysore City Police and held solely responsible for its administration subject to the control and supervision of the Deputy Commissioner as contemplated in sections 14 and 15 of the Mysore Police Regulatic

50) The subject was placed before the Council who are of opinion that the proposal may be tentatively sanctioned for one year on the understanding that it will not entail any extra cost to the Inspector General of Police providing for the necessary clerical and other establishment by a redistribution of existing hands.

SIR,

7(2)1 With reference to Notification No. J.684/Pol.51-13-1 dated the 26th August 1913, placing Mr. Mohamed Jaffer Mehkri, Assistant Superintendent of Police, Mysore City, on special duty with the Inspector General of Police, I have the honour to state that he, having most loyally and creditably discharged such duties, is now reverting to the Mysore City to take charge of his substantive appointment.

2. Experience has shown that with the growth and modern expansions of the City, its Police administration has become too complicated and unwieldy, with various recurring high functions and ceremonials etc, for being looked after efficiently by the District Superintendent of Police, who cannot devote the requisite attention thereto, without detriment to his District work.

3. I therefore recommend that Mr. Mohamed Jaffer Mehkri, Assistant Superintendent of Police, may be placed in independent charge of the Mysore City Police, and held solely responsible for its administration, subject, of course, to the control and supervision of the Deputy Commissioner of the Mysore District, as contemplated in sections 14 and 15 of the Mysore Police Regulation. For the management of the office of the Assistant Superintendent and to help him in the clerical and routine duties, an establishment almost equal to that sanctioned for any of the smaller Districts is necessary. For the present, however, I would withdraw one Munshi on Rs. 25 or 30 from the office of the District Superintendent of Police, Mysore District, and supplement it, as a temporary measure, by drafting a Head Constable and a Sergeant from the City Force; the newly sanctioned Prosecuting Inspector would also look after the duties of a Head Quarter Inspector as at French Rocks.
